STREET VIEW

An aerial view of a modern rectangular swimming pool with a dark grey tiled border. The pool is surrounded by a light brown wooden deck. On the deck, there is a white lounge chair, a large beige patio umbrella, and several potted plants. The pool has a white diving board at one end and a circular drain in the center. The surrounding area includes a green lawn and various landscaping elements like shrubs and trees.

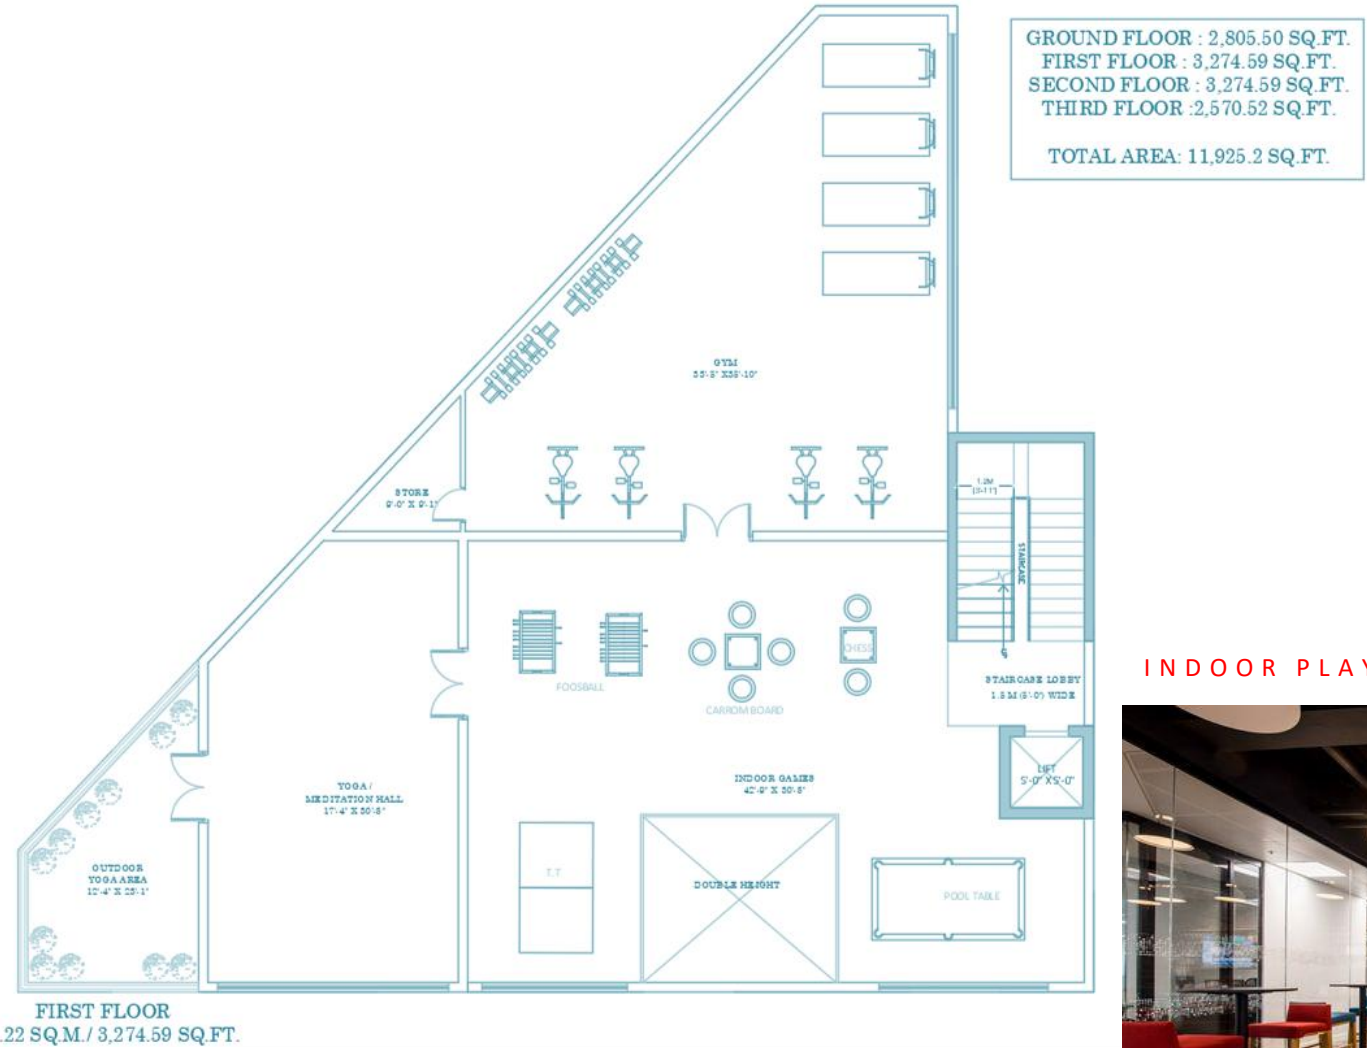

A large, modern grocery store aisle with tall black shelving units filled with various products. The shelves are stocked with canned goods, jars, and bags of snacks. A sign on the right wall reads "Frozen goods". The ceiling features exposed ductwork and linear lighting fixtures.

A photograph of a modern lounge area on a balcony. The space features a curved, light-colored sofa, several matching armchairs, and a large, light-colored coffee table. The balcony has a glass railing and overlooks a body of water. The interior of the building is visible in the background, showing a large, open space with a high ceiling and a large window.
